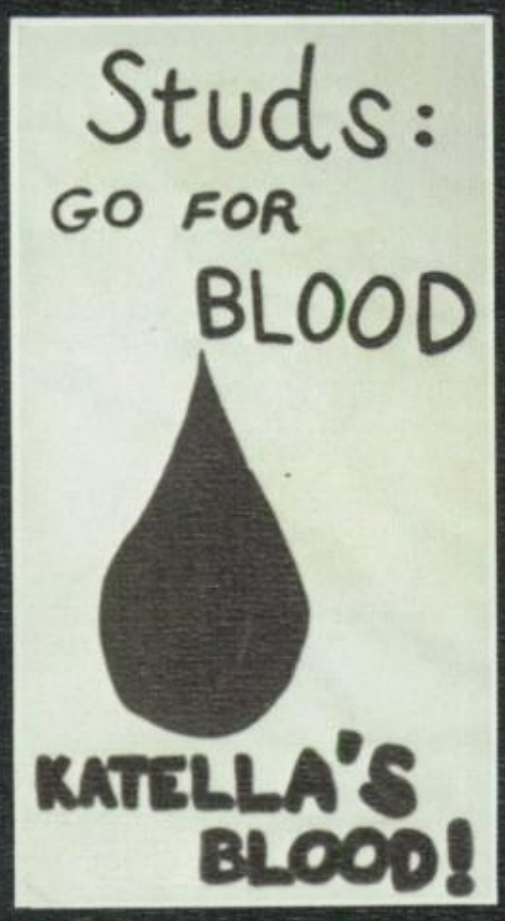
HAWAIIAN HOMECOMING

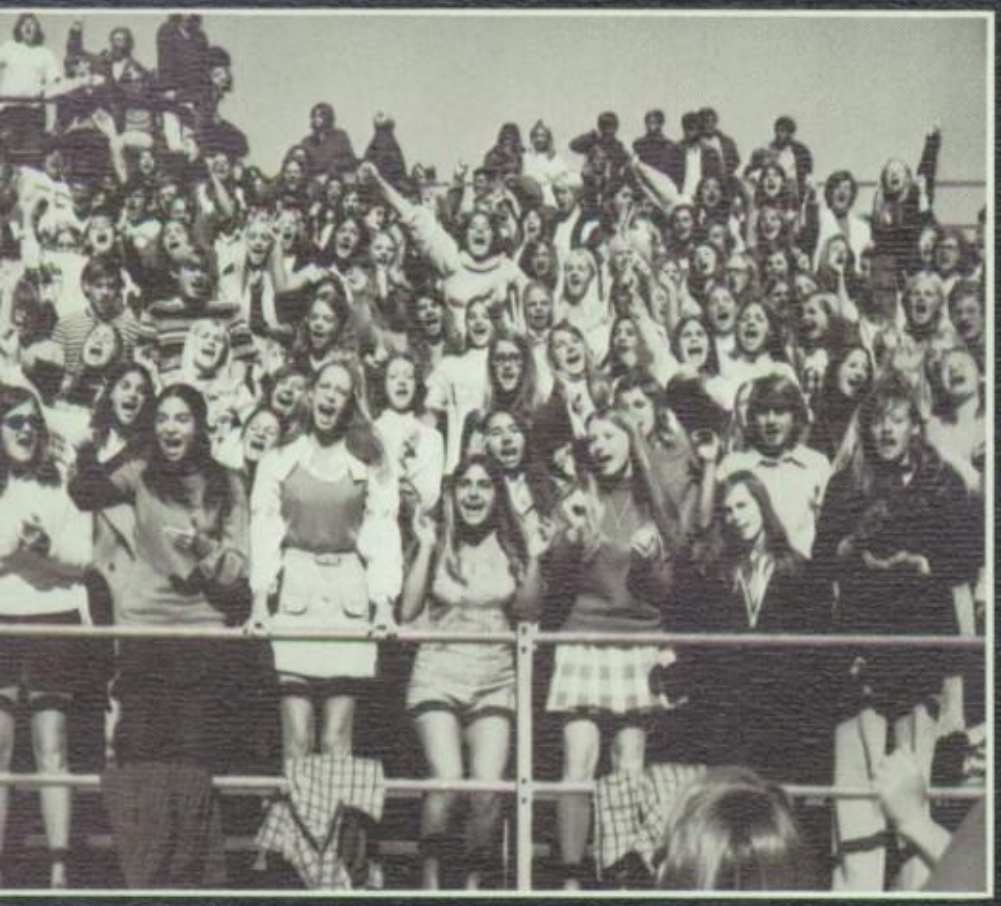


Homecoming

Homecoming had a Hawaiian Theme this year, which began with a car parade and pep rally at the plaza. It stretched over a week long period, highlighted by the alumni returning to the football game.

Colorful posters sparked homecoming spirit. The high point of the week came when the seniors established an all time record in the annual push-a-bug contest at the pep assembly.

Activities



The fund raising activities included a Hawaiian Gardenia sale by the Girls' League, a penny drive by the Pep Club, in which the Freshmen came out ahead, and a slave auction during the lunch periods by the student Council.

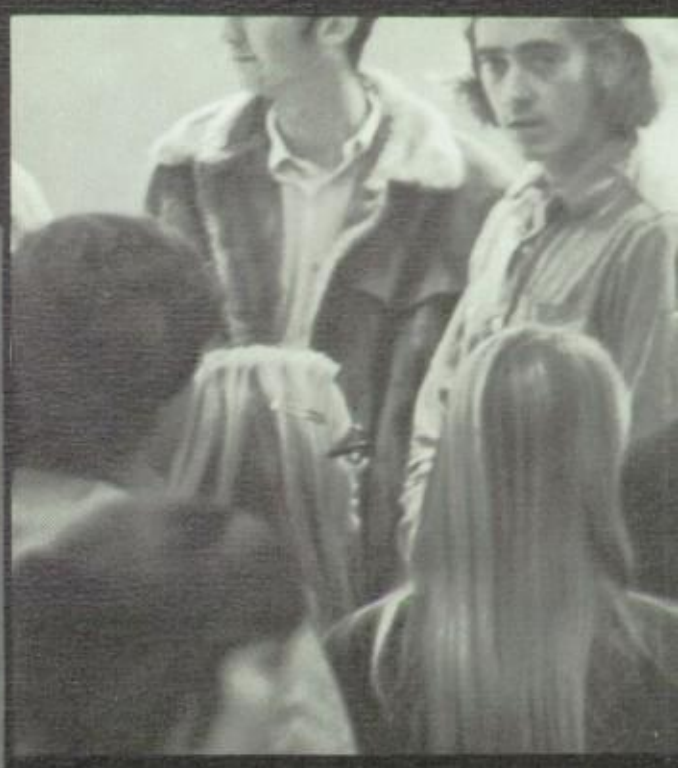
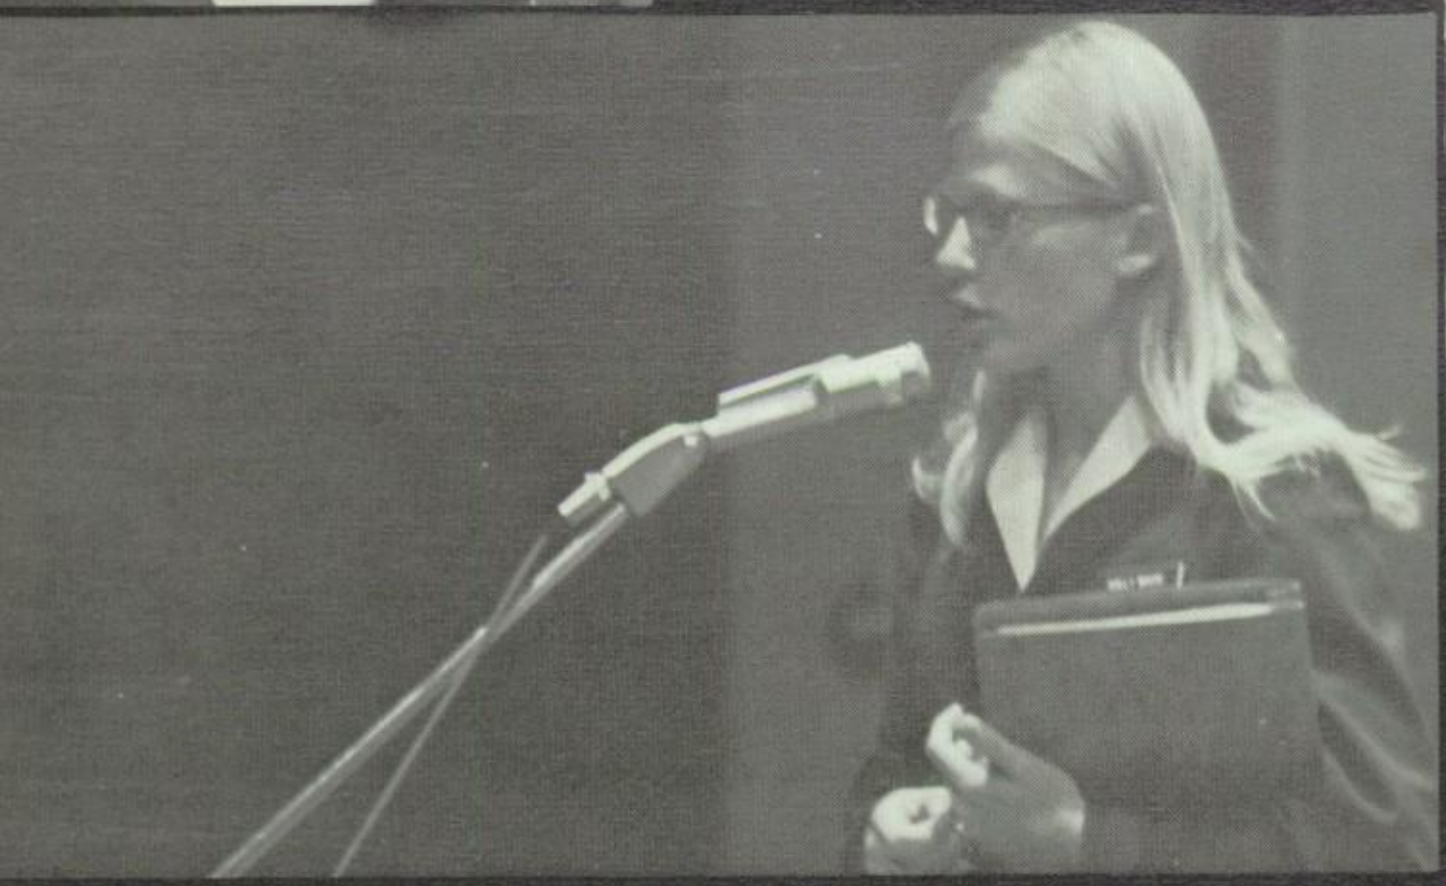
BOOSTER CLUB

History class are boring. Right? Wrong! This year our History department is doing its best to have interesting and worthwhile classes. Among the new educational concepts were speakers who really know what they're talking about. To speak about city government was Mayor Walt Evans.

Another speaker who took time t come to the campus was Assemblyma Badham.





A feather in the history department cap and one of the most interestin speakers this year was Congressma John Schmitz. Schmitz spoke on th role of a congressman and his dutie to his district. He talked of his work i the capital and a few other items, the left the rest of the time open for que tions, of which many were asked.

Something that everyone's interested in is Ecology. Ranger White spoke, illustrated with slides, on endangered species in California.

He spoke on the duties of an assembly-man. Also brought up was the proced-ure of bill passing.

Mr. Dahlberg from the School Board spoke on student involvement in the schools.

Mr. Merchant from the Secret Service spoke on how they guard the President; his San Clemente staff, Washington staff and his traveling staff. Other speakers during the year include Dr. Laver and Mr. Northrup on fluoridation and Mr. Edd Kincaid on Africa.

OKLAHOMA!

OH, WHAT A BEAUTIFUL MORNIN'

There's a bright golden haze on the meadow,
There's a bright golden haze on the meadow,
The corn is as high as a elephant's eye,
It looks like it's climbin' clear up to the sky.
Oh, what a beautiful mornin',
Oh, what a beautiful day!
I got a beautiful feelin'
Everythin's goin' my way.

THE STORY OF "OKLAHOMA!"

With its scene laid in Indian territory near the state of Oklahoma! at the turn of the century, the story of the musical "Oklahoma!" made from Lynn Riggs' play, Green Grow the Lilacs, concerns the rivalry of a handsome cowboy and a sullen, hired hand for the love of pretty young Laurey. Whom in view of a buxom, elderly woman known to the whole country side as Aunt Eller.

Laurey is a bit of a tease and enjoys playing the two men each against the other, though in reality she is rather afraid of the farm hand, full because of his morose, unstable temperament. When she agrees to drive with Jud to the "box social" and Curly, the cowboy, is determined she shall go with him, the fight is on in earnest.

Laurey's friend, Ado Annie, who can't fall in love with half a dozen men at one time, is having an even more difficult time trying to decide whether to marry the cowboy, Will Parker, who considers himself engaged to her, or to handle her favors to an innocent peddler, Ali Hakim, who claims to be Persian. Ali is much taken with Annie but has no intention of marrying anyone. Annie's father, Andrew Carnes, has said Will can have his daughter anytime he can amass the total of fifty dollars in cash. However, when he finds the peddler has been - practically - proposing to Annie, Mr. Carnes is all for enforcing a marriage with Ali by way of a shot gun.

Jud devises a scheme to get rid of Curly for good - nothing less than a seemingly accidental stabbing in the chest - but the peddler has sensed what is afoot and manages to prevent it by a hair's breadth. Meanwhile, Curly has sold his saddle, gun and horse for money to bid highest at an auction for the food hamper Laurey packed for the social - which gives him the right to be her escort. During the festivities Laurey finally confesses her love for Curly and agrees to marry him, and Annie decides in favor of Will.

In the final scene, on a late afternoon after the wedding of Curly and Laurey, the whole countryside has gathered to wish the bride and groom a western charivari - fashion and to wish them well on their honeymoon trip. Jud suddenly arrives, full of anger and hatred, demanding to be allowed to be at the bride. A fight ensues between him and Curly, whereupon Jud draws a knife. When Curly throws him out, Jud falls on his own knife and is killed. This, of course, disrupts the happy wedding party, and the play depends on immediately return

Changing Places

The library underwent a change this year, mainly because it was becoming too much of a social center and not enough of a study center. A faculty committee worked with the librarian, Mr. Laver and the principal, Mr. Taylor to set up new procedures which would overcome the library's problem areas.

The "new" library is now more student and study oriented. The library was physically reorganized during the "library moritorium" into academic and study areas. In order to move the stacks all the books had to be removed from the shelves which was a feat in itself. The reorganized library has a separate reference area, fiction area, non fiction area, study area, and magazine area.

In addition to the physical reorganization the library also had a face-lift. Indoor plants, student and teacher art, and a changeable

Changing Faces

display showcase are now part of the new look. A zerox machine was added for student convenience.

The best thing about the "new" library is that it works. Students who always wanted to use the library for study and research now can. Many new books were purchased to add to the expanse of knowledge the library offers. The library is now a library.

STUDENT COUNCIL

The Executive Student Council has been very active this year with a great number of various projects. The year started out with the ASB sponsored Back-to-School dance. The ASB has sponsered a large number of other activities this year since then including concerts by Taj Mahal and Shuffle, the P.O.W. forum, "Listening Ears", and many others. The greatest amount of the Council members' time is taken up in their individual semester projects. Each semester the members are in charge of at least one major school activity. Some of these include Homecoming, Greek Week, reconstruction of the ASB Park, Math Field Day, Power-Puff football, Open Campus, and many, many others. The coun-members time is not only taken up in his own project planning, but in helping the other members in their projects. Three times a week the Council meets to discuss various problems that come up on the ASB budget and student concerns, and to try to find ways to improve the school. The other two days are taken up in the House of Representatives, Senate or ICC. The Council is definitely a busy group of concerned students.

Thalassa

The Thalassa staff spent a year holed up in the vast waste land (called Rm 906) listening to complaints from the librarian that we were too loud and from Mr. Conklin that we weren't making it happen fast enough. At times bleery eyes and shakey hands worked on the yearbook as the staff braced against the strain of production. Now we just stand back and say; It's here. Enjoy the sights and (representative) sounds."

The Phoenix Triton Staff Story

The new year brought to San Clemente a new Triton *advisor, Mrs. Mary Lynn Hartman, At the beginning of the new semester, there were no signups for newspaper production. Mrs. Hartman visited advanced English classes to recruit staff members. Twenty-six students gave their names as being interested in staff assignments. Of that number only eight showed up for a meeting to actually "go to work." Ultimately, only four were able to make the schedule adjustments which allowed them to become regular staff members.*

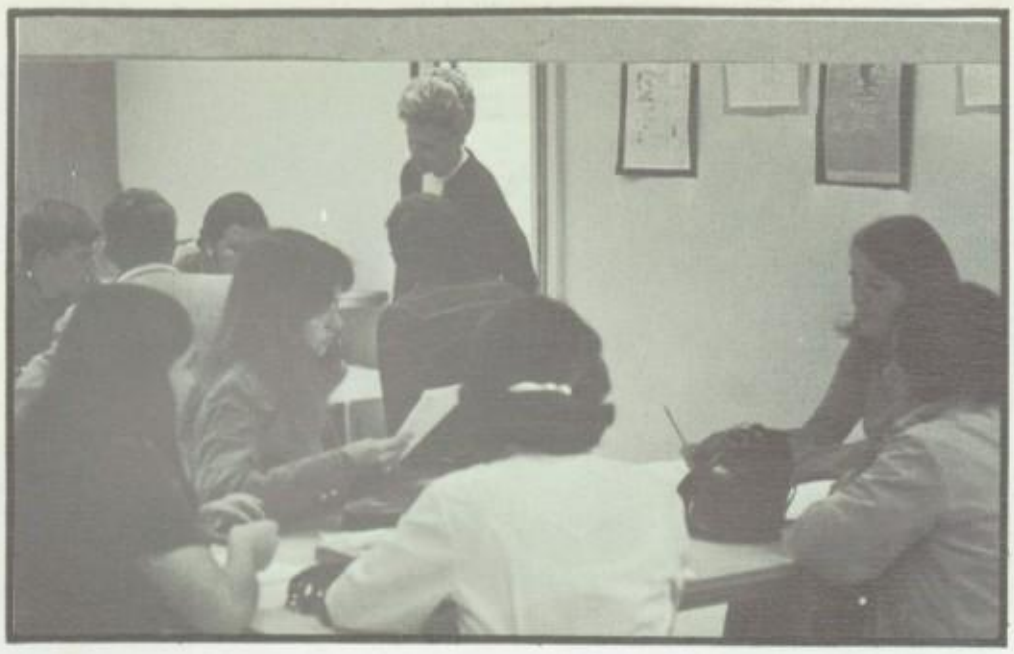
At the beginning of the semester no money was budgeted for publication of a school newspaper. ASB Officers conducted a straw poll and determined students need and want for a newspaper. Finally, $1,000 of student body funds was pledged to keep the paper alive. Mrs. Hartman committed the staff (though non-existent) for another $700 in funds to be raised from advertising.

The Triton *staff of four regular members and two or three volunteer, no-credit students met every deadline of the fall production schedule, writing, editing, pasting-up, and distributing 2200 copies of the* Triton *every other Friday. In addition, in their "spare time" they sold enough advertising (and created the ads themselves) to produce nearly $500 of income for the* Triton *account.*

Semester schedule changes brought the staff to another crisis. Although they had doubled their enrollment the first day of the semester (now having two), there was a critical need for regular *staff members if the* Triton *was to survive. Issue number eight was published and distributed on Friday, Feb. 18. Unless more staff members were to be found this may have been the last* Triton *for 1971-72.*

Classes were polled and questionaires were issued in all English classes on the plight of the paper. An estimated 1900 students returned the questionaires. On the basis of tabulated responses the paper appeared to be safe. The class enrollment is now approximately 20 and are ready to maintain the journalistic quality of the Triton.

The new Triton *staff is pictured at right. Missing from pictures are: Patrice Kelley, Mike Anderson, Karen Elliot, Lyn Ellen Hicks, Kori Miller, Kelly Smith, John Driscoll, Barney Slenning, Sandi Estep, Holly Fort and Janet Jensen.*



Going over procedures of the paper with some of the new staff are (L. TO R.) Norma Reynolds, Janice Wolenty, Raquel Reyes, Gale Odion, and Mairi Rhoads. Mrs. Hartman (STANDING) supervises plant being made by the new Sports staff (L. TO R.) David Hartman, Mike Douglas, Bill Madden and Nat Riddle.

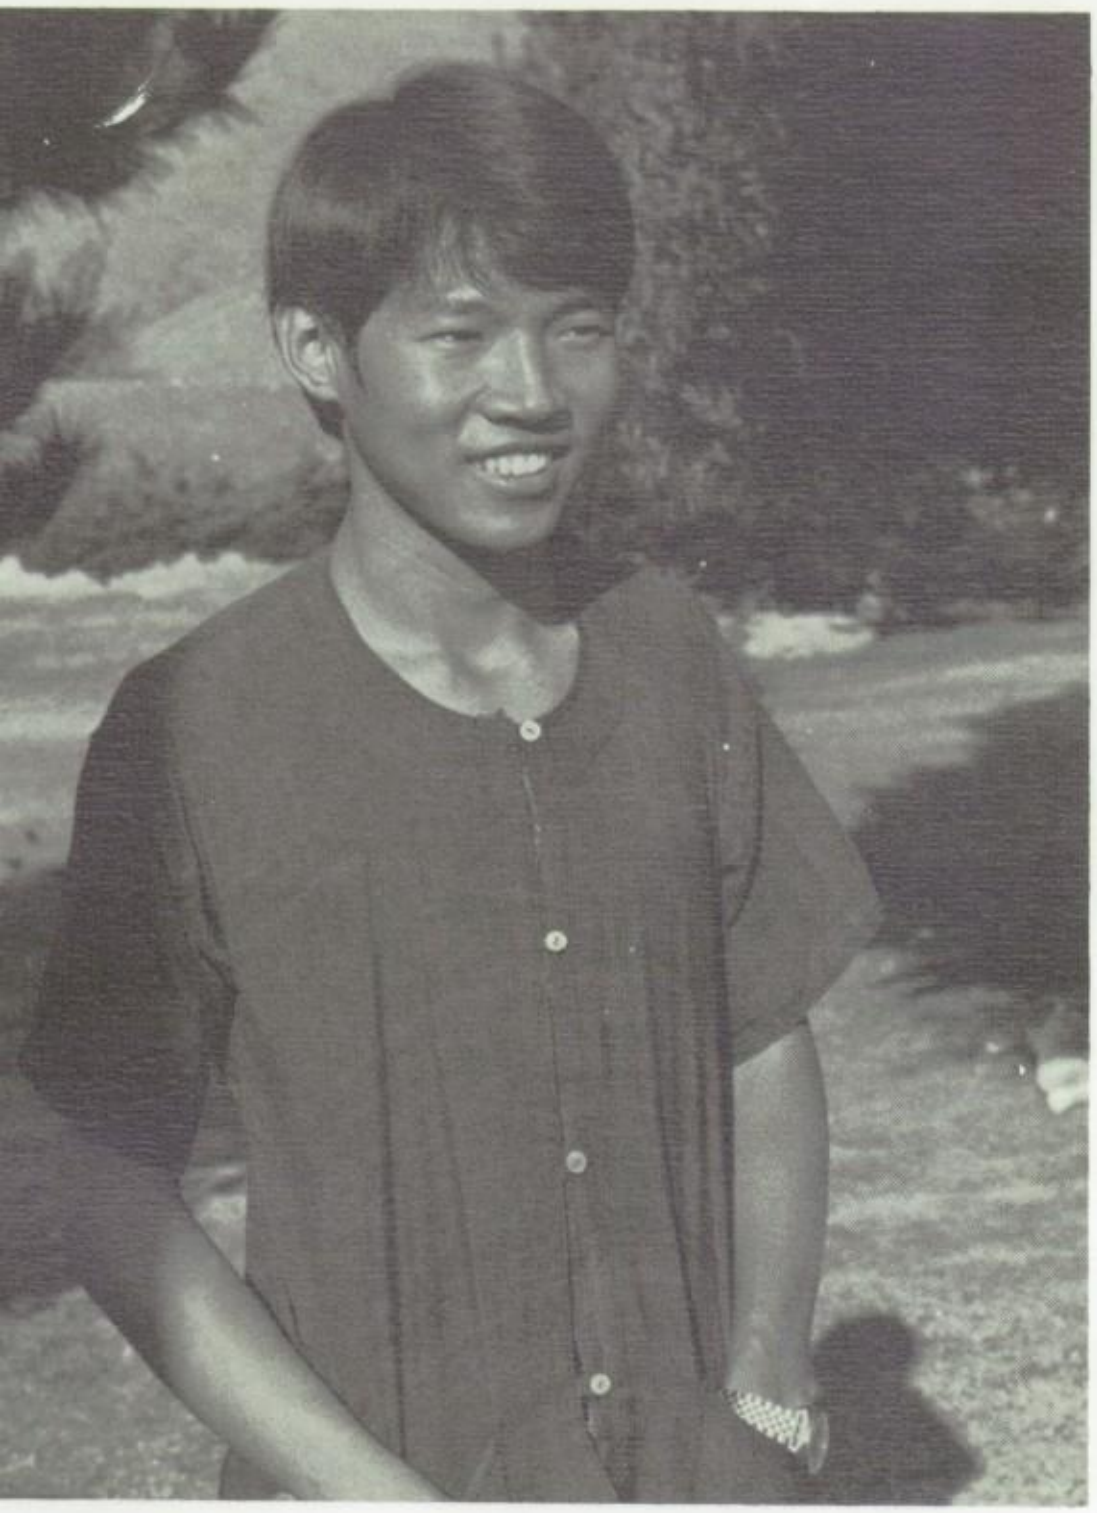
AFS promotes better relations with foreign countries and fellow students. Through the raising of money our school brings over two foreign exchange students each year so they may study and learn about our customs and culture.

Exchange



Niphan Sajjaphaibul known around campus as "Jay" is from Thailand. He is a senior here at school and is in AFS. One of his favorite classes is ACapella. In December he turned 19. When he returns to Thailand in July of this year he will finish school at the Vocational Business College he was attending before coming to the U.S. Upon finishing school he will go into Business Administration of some kind. "Jay" likes San Clemente very much and hopes to return one day to visit all the friends he has made while studying here. He makes his home with the Glen Robisons in Shorecliffs. In Thailand "Jay" has two older brothers and 5 younger sisters. His father is a businessman and his mother helps with the finances in his dad's business.

Manijeh Fathollahi is from Iran. She is 19 years old and a senior here. She graduated in Iran last year. When she returns home she hopes to attend a University and study English Literature. Manijeh's favorite class is Student Government. She likes school here and says that kids have more freedom here than in Iran. Manijeh resides with the Wilson family of San Clemente. In Iran she has a family in which there are four children. Her father is the chief of police in her city. When Manijeh finishes studying she intends to return to the United States, provided she doesn't marry before then.

The Russian Club is for all students studying and are interested in the Russian Language. Advised by Mr. Frost, the club enjoys learning about the Russian culture. They also speak Russian.

The German club is for those interested in the language of Germany, and is the most active language club on campus. German club took a field trip to Big Bear, and planned another trip in the Spring to Ensenada. The activities that brought German club recognition on campus were the selling of "near beer" and pretzels in the Spring and the operating of the night school concession stand.

S.C. Vs. Brea

San Clemente opened its 1971 football season with a loss to Brea. The game was a thriller in which either team could have broken the game open if they had just had the right breaks. Unfortunately, Brea did.

The S.C. defensive unit highlighted the game. Everyone worked together to stop Brea with the exception of one drive. The collapse of the defense for just that one moment was disastrous because the only score of the game came about as a result.

S.C. Vs. Laguna

San Clemente pulled everything together against Laguna to even their record at 4-1. Behind the leadership of quarterbacks Bill Kenny and John Springman, S.C. romped to a 33-7 victory. Clark Jarrett and Jose Malagon were two of the key factors in the win over the Artists.

Flankers Pete Sellers, Bob Frye, and Mark King also helped considerably in S.C.'s superior offensive play.

The defensive unity also had another fine game allowing only seven points to be scored against them for the second game in a row.

Later on in the year, S.C. was informed that they would have to forfeit the game because of the scholastic eligibility of one of its players. Even though they had to forfeit, the players and coaches still considered the game a victory.

SC Opens season against Orange

n Clemente continued its winning streak by taking full charge of Orange in the first league e. Orange had been heavily favored to win and also to take the league championship, so ame was a big victory all around for the SC Tritons.

e near perfect play by both offensive and defensive units clinched the victory over the ers by a score of 24-7.

s marked the third game in which the highly honored defense had given up only a touch- to the opposition. In three games, SC had given up 21 points while scoring 57.

SC vs Foothill

San Clemente's "Big Red Machine" came to a grinding halt against a fired up Foothill defense. Pall interceptions plagued the Triton offense throughout the night as they suffered a 15-0 defeat.

Linebacker Bill Madden led the SC defense with 15 unallisted tackles along with the recovery of a fumble. Charlie Dargon and Kevin Wright intercepted passes against the Knight quarterback in vain as Foothill went on to score two touchdowns and hold SC scorless throughout the contest.

The loss brings the team to an even 1-1 league record and an overall record of 1-3 due to the forfeit against Laguna.

Katella

S.C. vs Tustin

Bouncing back after their first league defeat to Foothill, Kenny and company pulled their offense together to trounce Tustin into the ground by a score of 34-6. Helped considerably by Bob Frye and Pete Sellers, the Tritons scored and scored again.

The widely known, tough hitting defense turned in another sparkling game as they gave up only 6 points. The defense was led by John Romero, Bill Madden, Clark Jarrett, Charlie Dargan, Pete Sellers, and Randy Paulson.

S.C. vs Katella

San Clemente broke through Katella's domination of the homecoming game by mounting a scoring drive in the final quarter of play. Quarterback Bill Kenny, who passed for 153 yds. in the game, hit halfback Clark Jarrett with a screen pass and Jarrett turned the play into a 59 yd. gain. Another Kenny pass, this time to Kevin Wright, lightened up the scoreboard with S.C.'s lone six points of the evening.

The strong defensive work by Katella's defense, brought the overwhelming win to spoil the homecoming game.

S.C. vs. Mission Viejo

The San Clemente Vars Football Team invaded M sion Viejo's home groun for a closely contested gam Following a loss the week b fore to Katella, the Trito were again plagued by int ceptions and fumbles. Coa Ead's pointed out Art Ysl Mark King, Clark Jarrett a Bill Madden for their fi play in the loosing battle.

st of the way thru the game ffense was always driving but emed to always be stopped scoring the decisive touch-. Only being able to score oints, they were defeated by Diablos with a score of 21-16.

S.C. vs El Modena

The hard-luck, injury-plagued Triton Varsity dropped a league game to El Modena 21-14, despite two Bill Kenny touchdowns on runs.

Flanker Bob Frye caught three Kenny passes, one a 49 yd. reception which set up the first score of the game in the first two minutes.

After that drive, everything seemed to go downhill for the big red machine. The defense had a sparkling first half but fell apart in the second half. This marked the second time that the Triton defense collapsed completely.

S.C. vs Villa Park

Absorbing their fourth defeat in a row, the Varsity managed to score only 7 points against 24 for Villa Park.

Senior halfback Jose Malagon led the SC rushing attack, picking up 40 yds. in seven carries for a 5.7 average. Bob Fry, also a senior, caught four Bill Kenny passes for 75 yds. and junior Charlie Dargan had five receptions for 57 yds.

Dargan also led the team with 4 unassisted tackles, while seniors Kevin Wright, Mike Dunham, Pete Sellers and Clark Jarrett combined for a total of 25 assisted tackles.

The Sophomores completed a successful 6-1-2 season. Highlights of the year included a 45 yd. field goal by Quarterback Bill Springman against Villa Park. It went into C.I.F. record books as the 6th longest in history. The season had many heroes; Joe Janton's 14 interceptions, Springman's 85 yd. kickoff return against Foothill; the offensive blocking of Bob Shepard, Pat Chicas, Mark Foster, Bob Ingram and Pat Sickafoose. The sterling defensive play of Nick Velisides, Steve Miklos, Bob Ingram, John Ulloa and Bob Schram. Others who contributed greatly to the team were Mark Eljenholm, Mike Beauchene, Terry Brogan, Randy Groff, Bill Enquist, Rick Svenson, Mario Rodriquez, Rusty Collins and Freshman Bob Spires. VARSITY CROSS COUNTRY

The Triton thinclads, under the direction of new head Coach Bob Radford, made many accomplishments throughout their season. Leading the team to a divisional 1st place at Corona Del Mar Invitational in the pre-season were Tim Smith, Brian Peter, and Rene Hunn.

Sparked by the outstanding performances of this trio the team had an eventful 3 win-5 loss record.

Tim Smith, team captain and most valuable runner, ran a blazing 10th place in league finals. Lending depth to the team was Joe Bob La Pham, voted most improved runner, Mike Pasnal, Chris Kearney, and junior runner Cliff Geddes. Other honors went to Brian Peter voted most inspirational.

The season could be summed up in Coach Radords words. "It was an experience."

Varsity Basketball

The San Clemente varsity basketball team of 1971-72 was much better than their record of 11-14 would indicate. Though a comparitively small team, center was 6'2", the tritons gave every team they played a tough spirited game. Fighting their way through a rugged schedule the tritons entered league play sporting a 5-6 record and were not expected to do well in Crest-view league action. But, with just four games remaining San Clemente was in second place with 6 wins and 4 losses. Then, suddenly crippled by injuries, the tritons dropped three heart-breakers in a row and all hopes for a playoff birth were destroyed.

At the sports-awards banquet Mike Dowling received Most Valuable Player, Pete Sellers, Best Defensive Player, and Bill Kenney Most Improved Player.

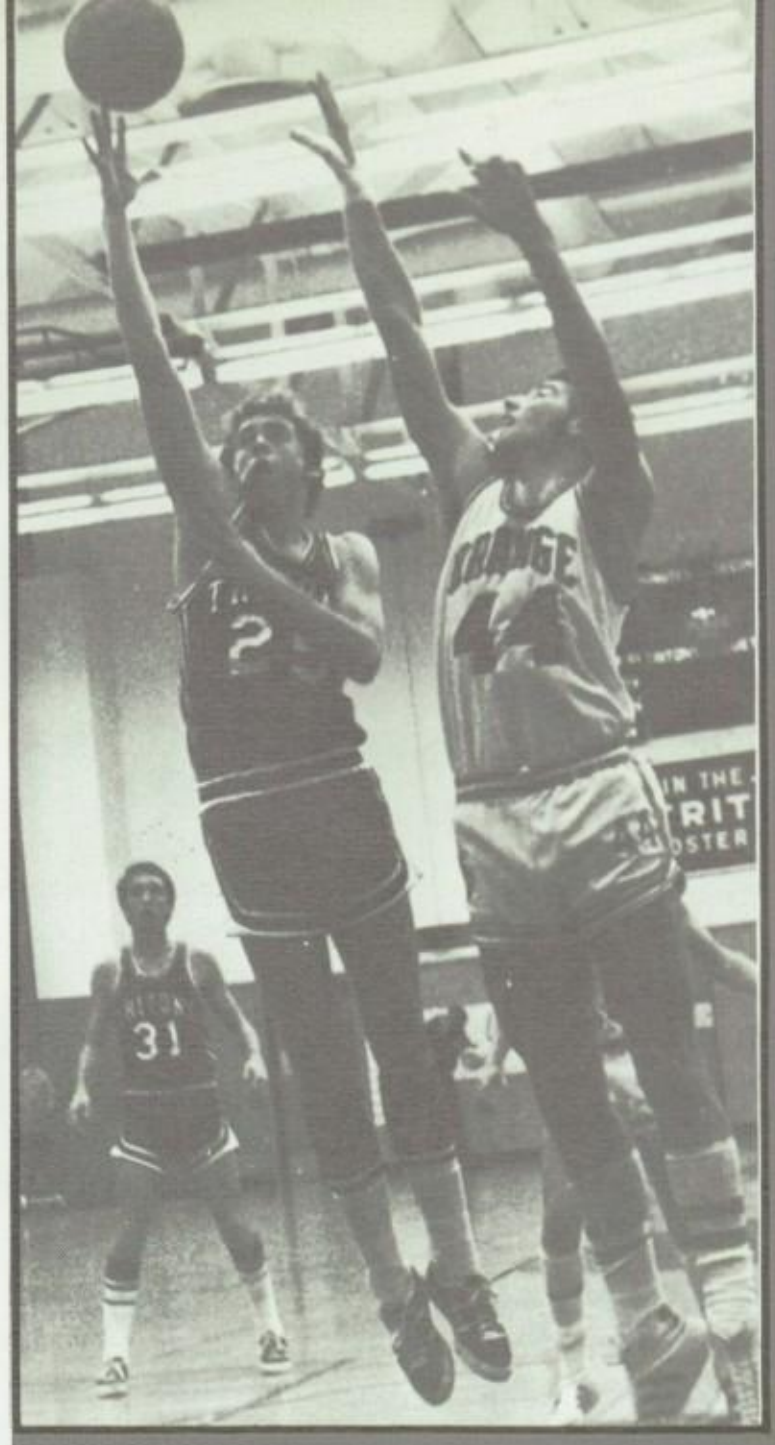
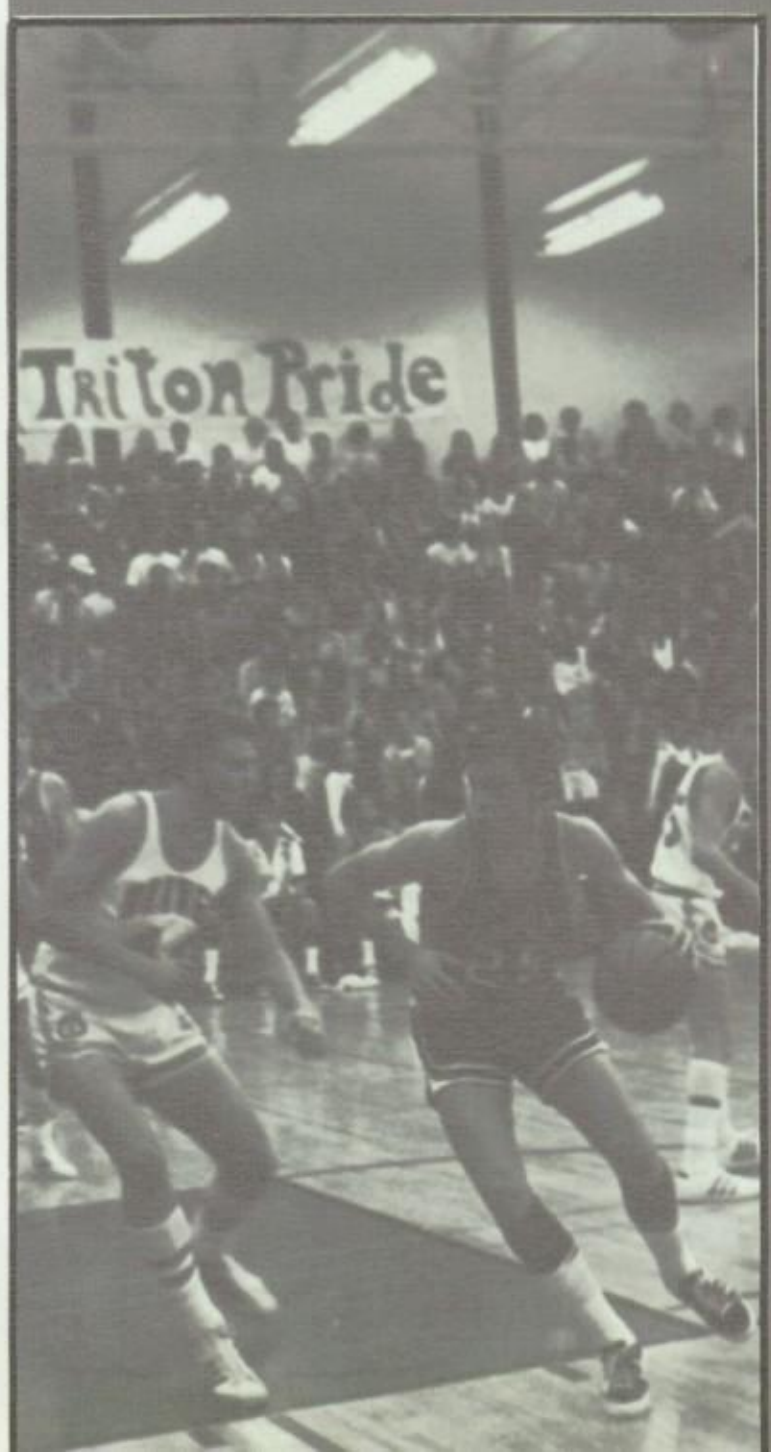
For the first time in it's history, the San Clemente Freshman Basketball Team took league championships by compiling 8 straight wins. Although the team lost 4 games, 3 of them by 2 pt. and one by 4 pts., they were still able to take the league championship because of the fantastic spirit and support from the bench. Another factor for the great success was the





verage height of the front line, which vas 6'3", which is tall for a freshmen eam.

Coach Chambers felt all on the team were eaders, especially Captain Dave Taylor, nost valuable player Ted Kalota, most nspirational player Bill Hunt, and most mproved player Greg Young.

Junior Varsity - Don Cook, Jeff Criswell, Lonie Hutts, Coach Stan Dimaggio, TOP ROW: Primus White, Ted Waller, Joe Hernandez, Jeff Hunt. BOTTOM ROW: Ross Wilson, Bob Yoder, Jeff Foreman, Tom Hoffman, Dave Hassl.

Under Coach Stan Dimaggio, the San Clemente 1971-1972 J.V. basketball team compiled an overall record of 12-12. Led by Juniors Tom Hoffman and Ross (Tomahawk) Wilson and sophomores Jeff (Shades) Foreman, Dave Hassal, and Bob (Gunner) Yonder, the team placed fourth in league play with a record of 6-8.

Coach Dimaggio was pleased with his team's record because as he said, "most teams we played averaged about 2 inches more in height". Coach also pointed out that this was probably his youngest team overall, but was still one of the best shooting teams he has coached. He praised his teams effort as they fought each game as if it were for the league championship.

At the post banquet, Bob Yoder and Jeff Foreman took honors being named co-captains and co-most valuable players. Joe Hernandez was named most inspirational and Don Cook most Improved to close out this years J.V. season.

Soph Basketball Team

Sophomore Basketball 71-72

The sophomore basketball team of the 71-72 season was unlike previous years in many ways. The big difference was teamwork and spirit, both in games and at practice. Another deciding factor during Crestview League competition was the addition of sophomore newcomer to Triton basketball forward Mike Stavio, who came down from Stan DiMaggio's JV squad to score the most points in league play for the B's - 180!

The sophomores started out very well. Their first season victory at Anaheim was vindictive of their successful season. They set a record for soph. win-losses, breaking the 13-12 70-71 record to 14-11.

This in itself was a high point. The sophs held their 2nd annual basketball tourney here in the Triton gym, playing such teams as Bolsa Grande, Mission, Viejo, and Valencia. In the Christmas Tournament (Dec. 27-30) at Santa Ana High School, the Tritons beat Kennedy and Western in the first two days and then lost to Los Alamitos in the championship bracket in the third round.

Under the able coaching of Fred Newhart, the Triton Bees ended a great basketball story with an 8-6 league mark and a new record for season win-losses which indicates a pretty good season.

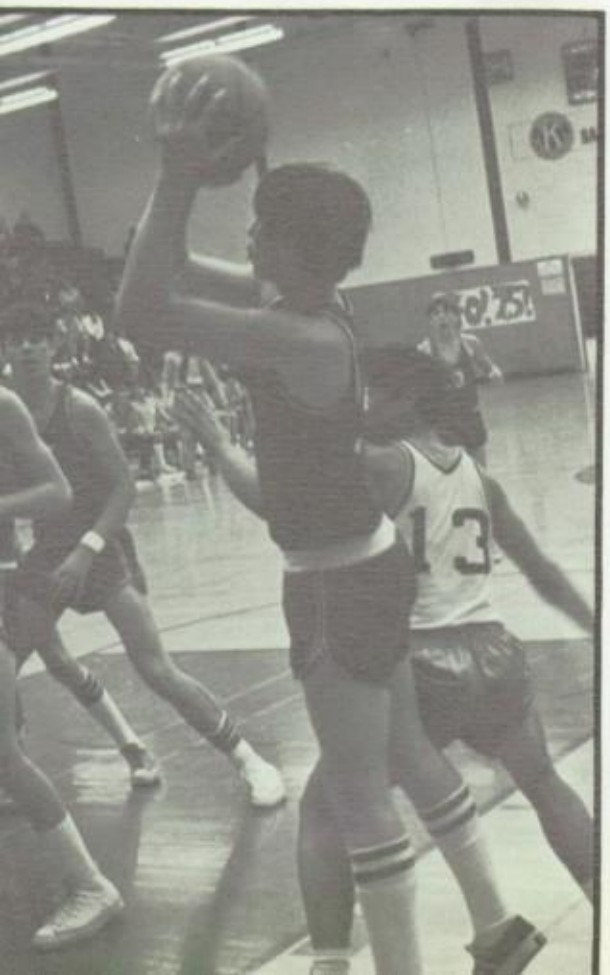
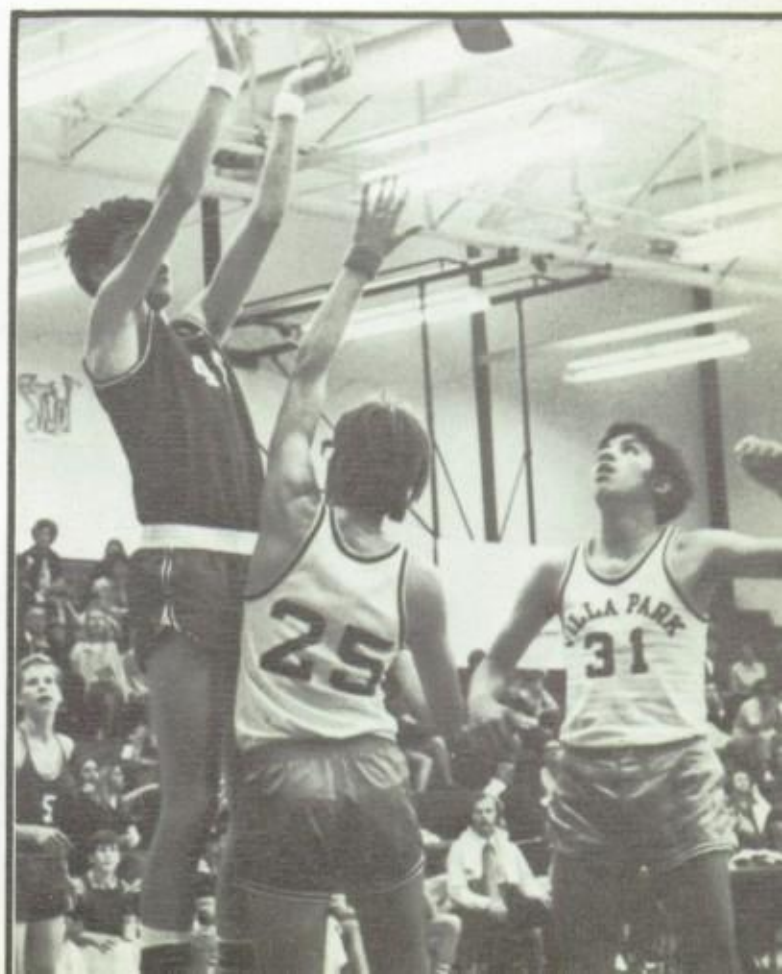
Freshman Capture League Title





Wrestling

San Clemente's wrestling completed this year with mixed emotions. Although as a whole they weren't able to perform consistently enough to place well, individual team members placed very high in league finals.

Captain John Romero felt that due to the great coaching he and four other team members, Al Thomas, Clark Jarrett, Armador Gonzales, Billy Theiralt were able to make the C.I.F. league finals.

The Team had many lettermen returning which gave it a fine spirit. Clark Jarrett, also known as "the little bruiser," was voted most inspirational, while Captain John Romero was voted most valuable.

Over all the season saw many wrestlers get top honors in the league, and the team develope good returning wrestlers for next year.

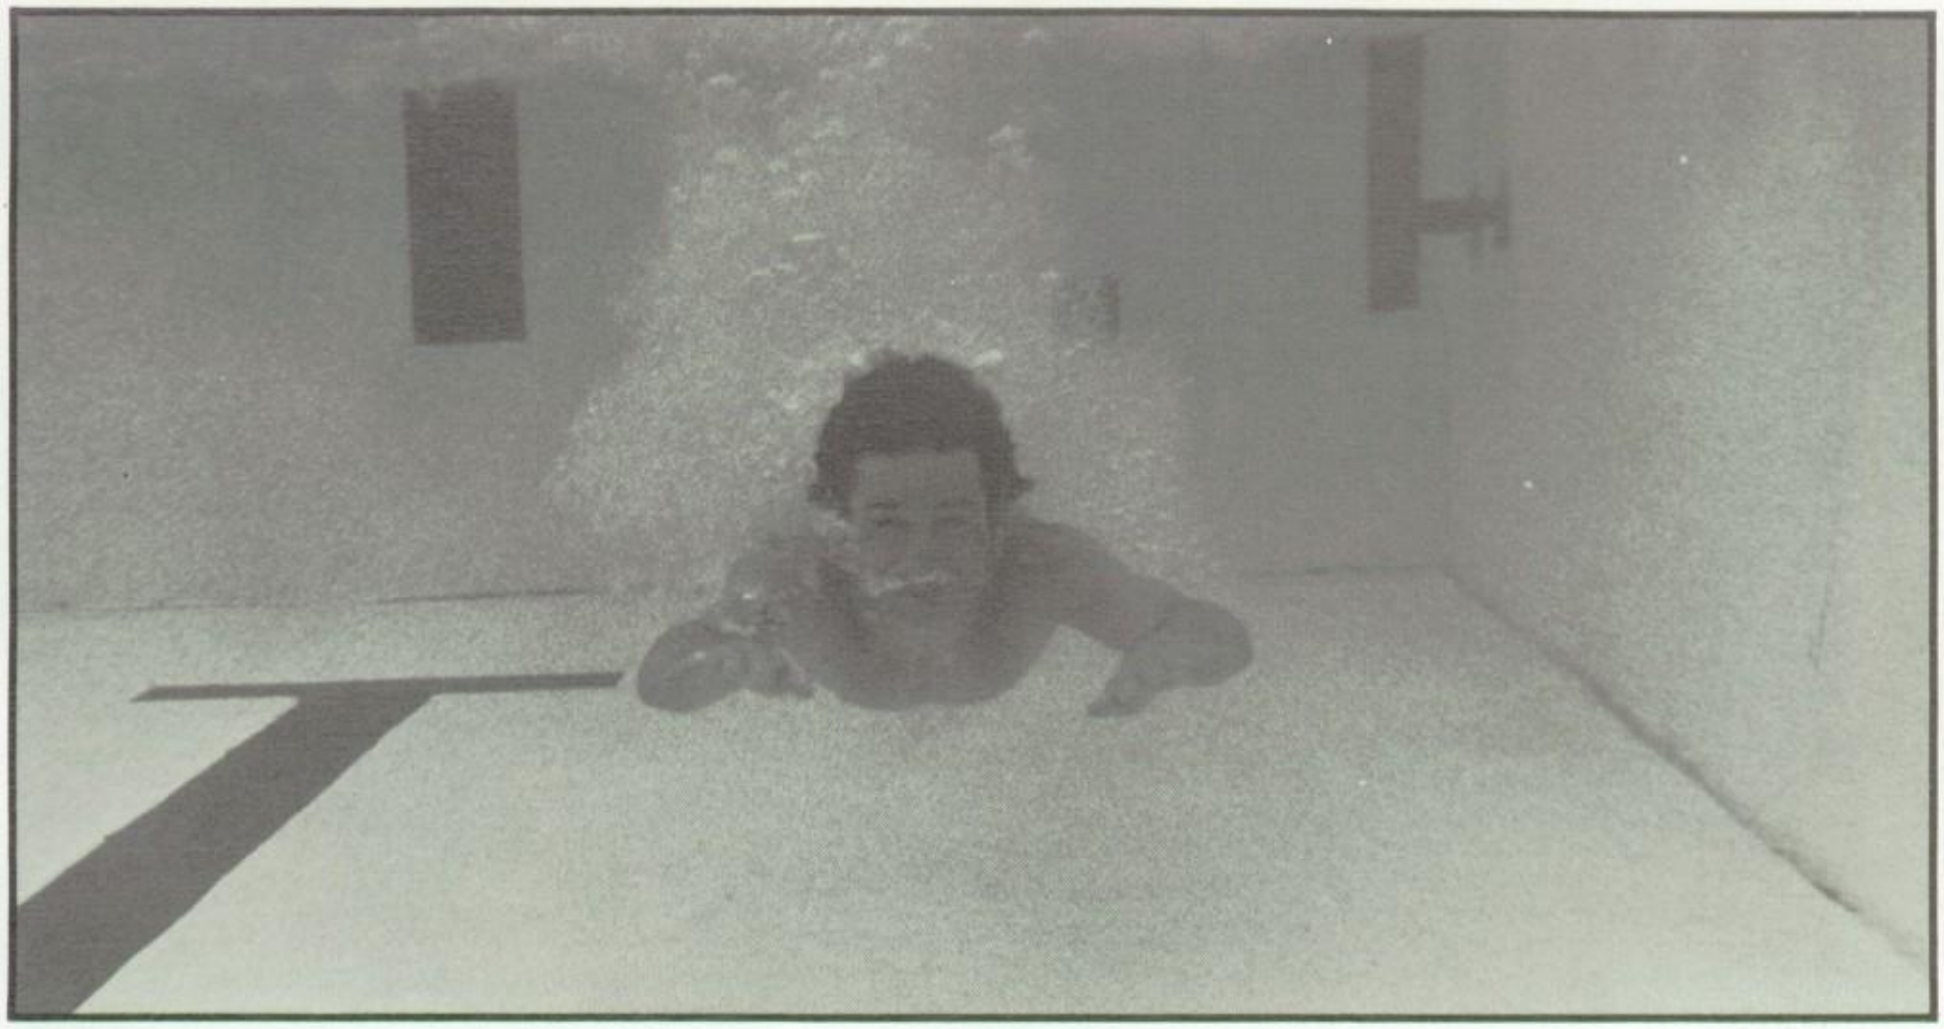
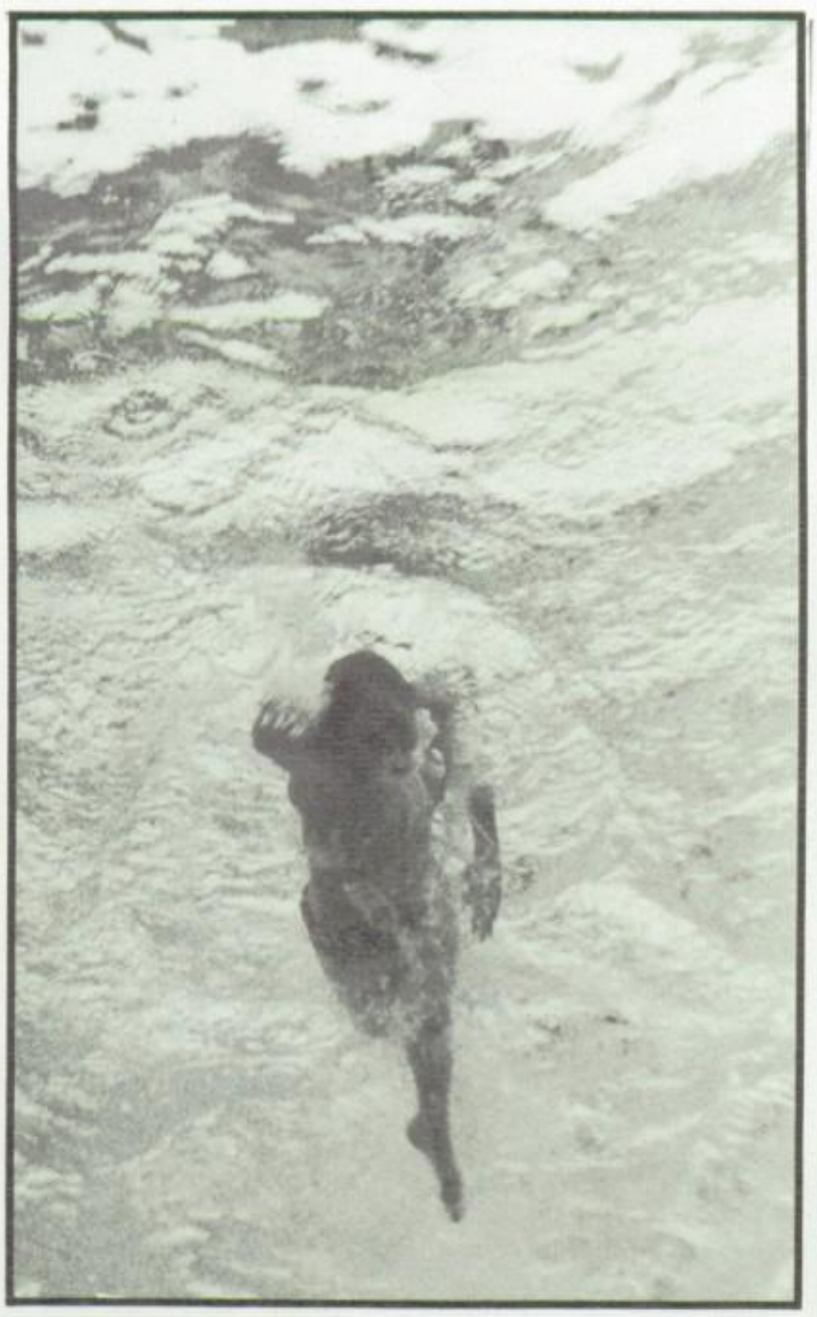
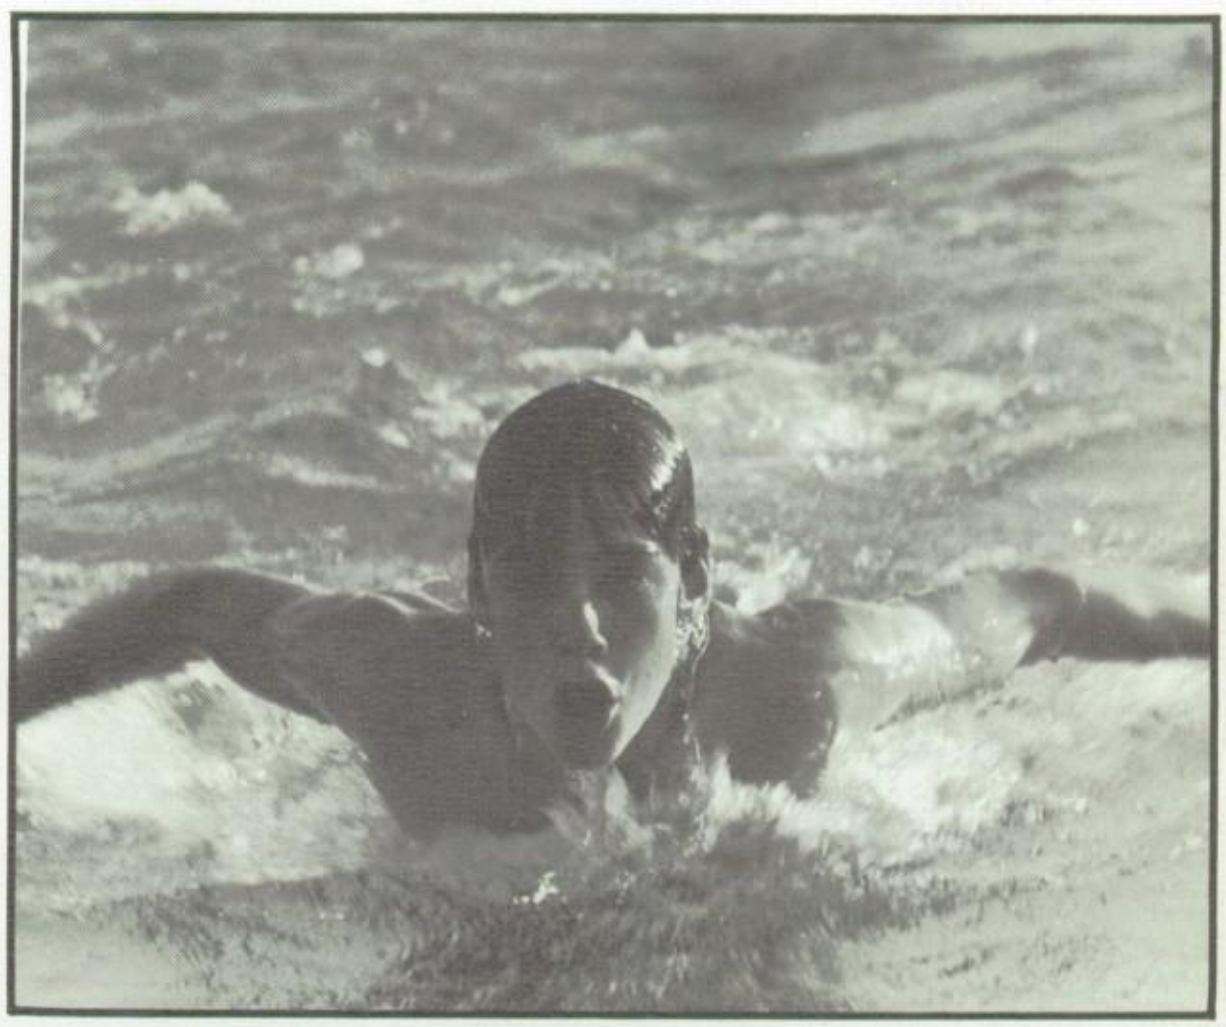
This year's swim team were "baby" Tritons since they were the youngest in Triton history with twenty-seven freshmen and sophomores and only four seniors, but they turned in a performance worthy of the sea tradition of San Clemente High School.

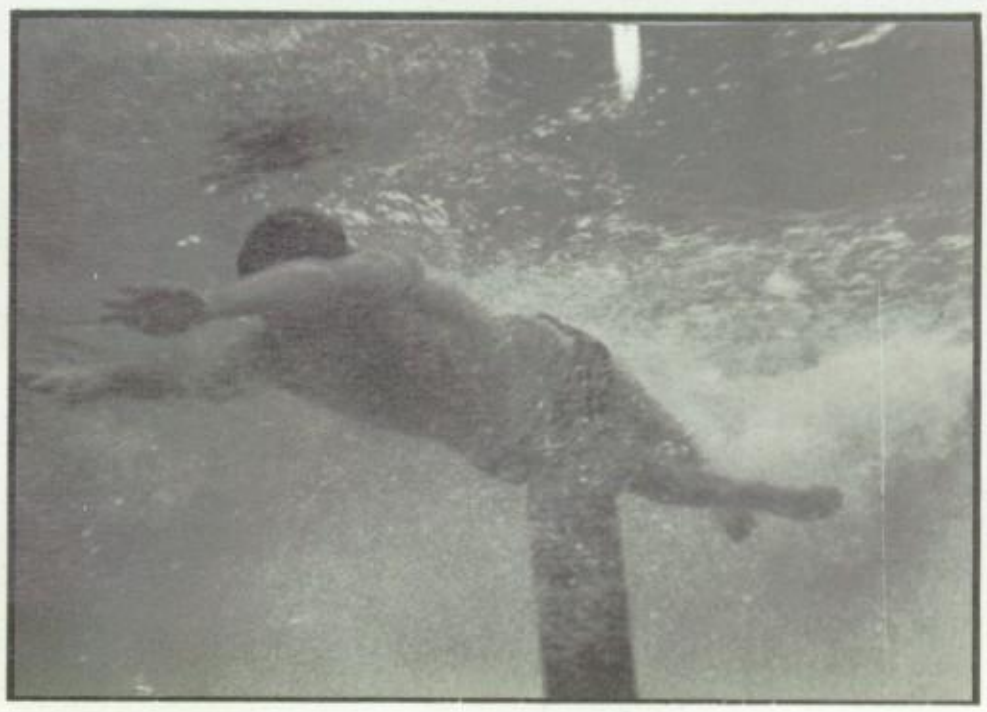
The team scored very high in the "B" and "C" division of the league championships with the Wilson twins leading the way. Coach Cummings boasts that this team is the best team since the fantastic 1967 squad. That years team swam to a 10 win 3 loss season record.

Individually eight men qualified for the C.I.F. championships which indicates a most outstanding season.





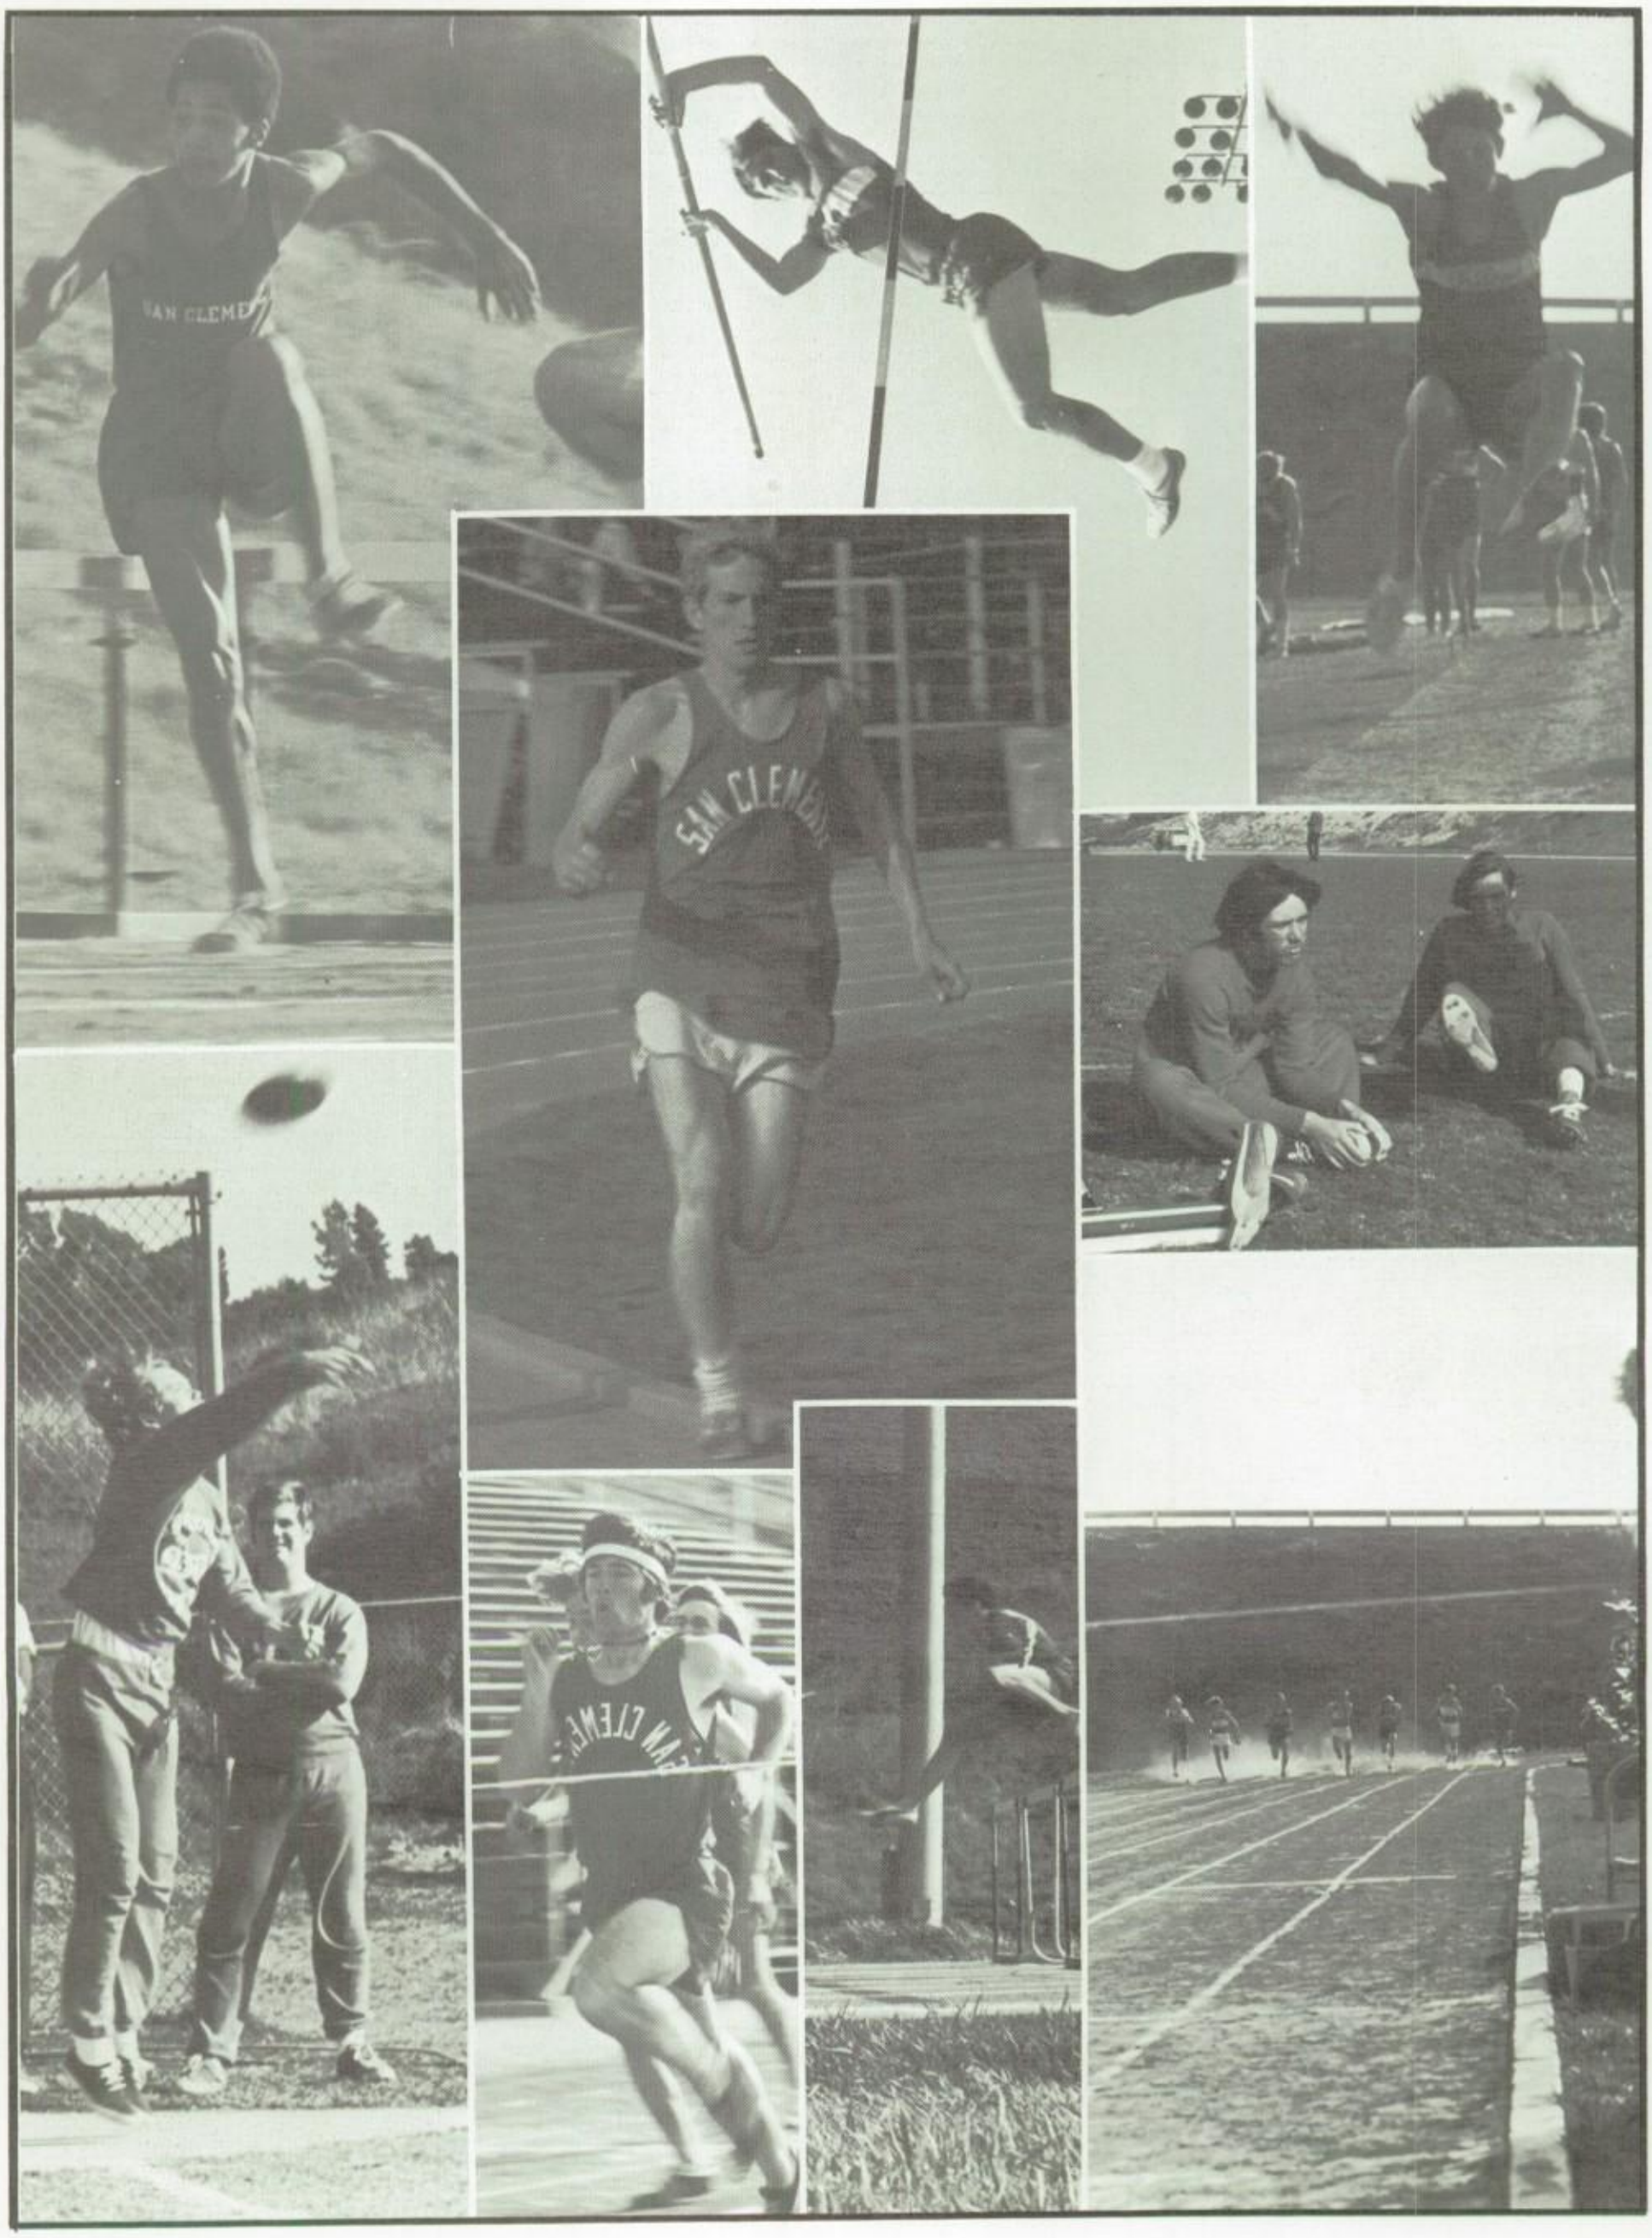




Excellent team performances were turned in by Tim Springer (sprints) Jeff Lashbrook (distance) and team co-captain Dana King, who broke the school breastroke record. Varsity diver Dave Vick also scored will throughout the year. The "Swimmer of the Year" award went to Tim Springer, a 4 year letterman.

If Coach Cummings and the San Clemente Swim Team can consistently post such an outstanding record year after year without an on campus pool, imagine how utterly fantasstic they would be if they did not have to travel 8 miles a day to Camp Pendleton to train.

**Sophomores Dave Atkinson and Pat Lineback should be the team foundation for next year.*



Track got off to a slow start this year with the varsity losing to a strong Anaheim team, a strong Bolsa Grande and in league to Orange and Foothill. Coach Radford philosophically mentioned that there are two contributing factors, the addition of new events that S.C. has no strong contenders in, and lack of depth in general. J.V. track and frosh-soph track have had similar problems.

Individually, however there have been some stirling performances. Varsity sprinter Bob Frye is undefeated in league competition in the 100 and 220, posting 10.2 and 23.5 times respectively Sophomore John Duvall has looked good in the varsity 120 high hurdles and 180 low hurdles. Sophomore Jeff Hurbutt has looked very good in the 440, 880 and the mile relay. Senior Doug Ralls and sophomore Jeff Forman are high jumping well (right up there!). For pictorial comments on other individual performances, see next page.

Varsity

Coach Ray Beaver has six golf pros teeing up this year, Dawyne Hilborne, Martin Morganelli, Steve Ringer, Dennis Luschen, Scott Johnson and Richard Bernard look forward to hitting their prime about mid season. Seniors Hilborne, Ringer and Bernard are returning lettermen playing out their final year while junior Johnson and sophomore Luschen will continue next year. Surprise of the season was the addition of freshman Morganelli to the team.

Junior Varsity

Coach Keith Stroud has a large stable of up and coming J.V. golfers this year. Actually it is a misnomer to call them up and coming because they have been up for six years, winning the Crestview League each year. Coach Stroud again predicts an undefeated year (the seventh straight) for the team. He credits community support as the reason for having such a good team at the J.V. level.

Tennis

Varsity

The Varsity Tennis team, ed by Coach Roger Frost, bounded in experience his year. Five of the eight tarters lettered Varsity ast year. The doubles eam of Mike Dowling nd Nick Maddocks led he team in scoring. Don ing, Doug Ralls, and ob Sagely provided the ingles strength. Under- lassmen Greg Kelly, cott Lane, and Jeff Rus- el will return next year s Varsity lettermen.

Junior Varsity

The Junior Varsity Tennis team, coached by Roger Frost, had a very successful season. The two doubles teams consisting of Archie Nelson paired with Larry Olson and Tony Krogius with Charley Brown played very well and showed promise for next year. In the singles Gary Hamro, Mark Dodge, and Ron Stevens looked good in practice for the upcoming season. All JV tennis racketeers will be here next year, probably as Varsity lettermen.

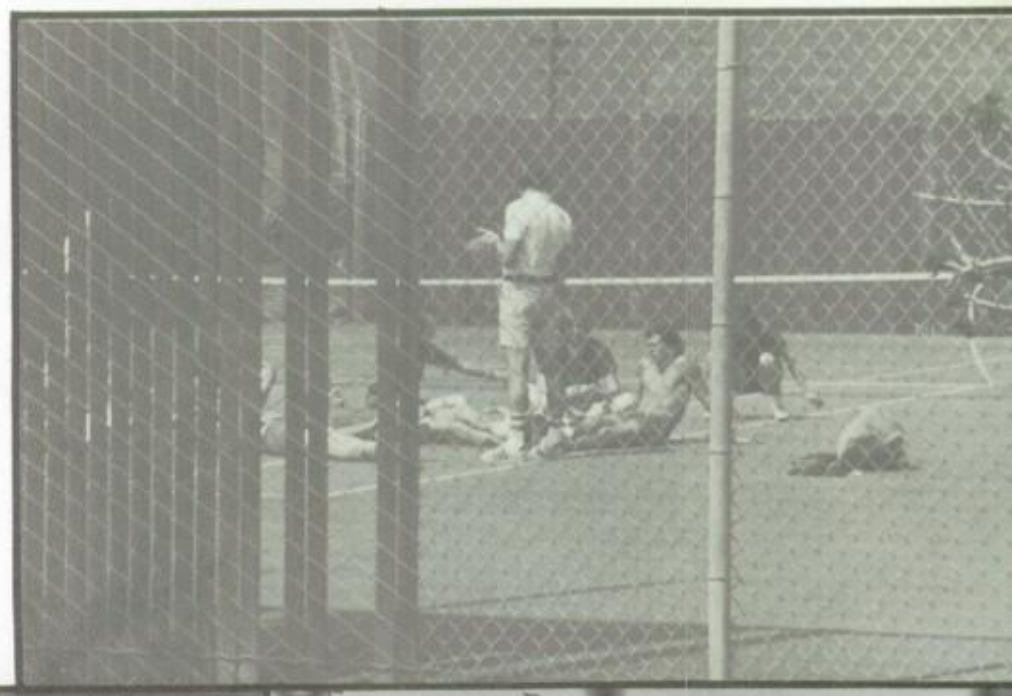
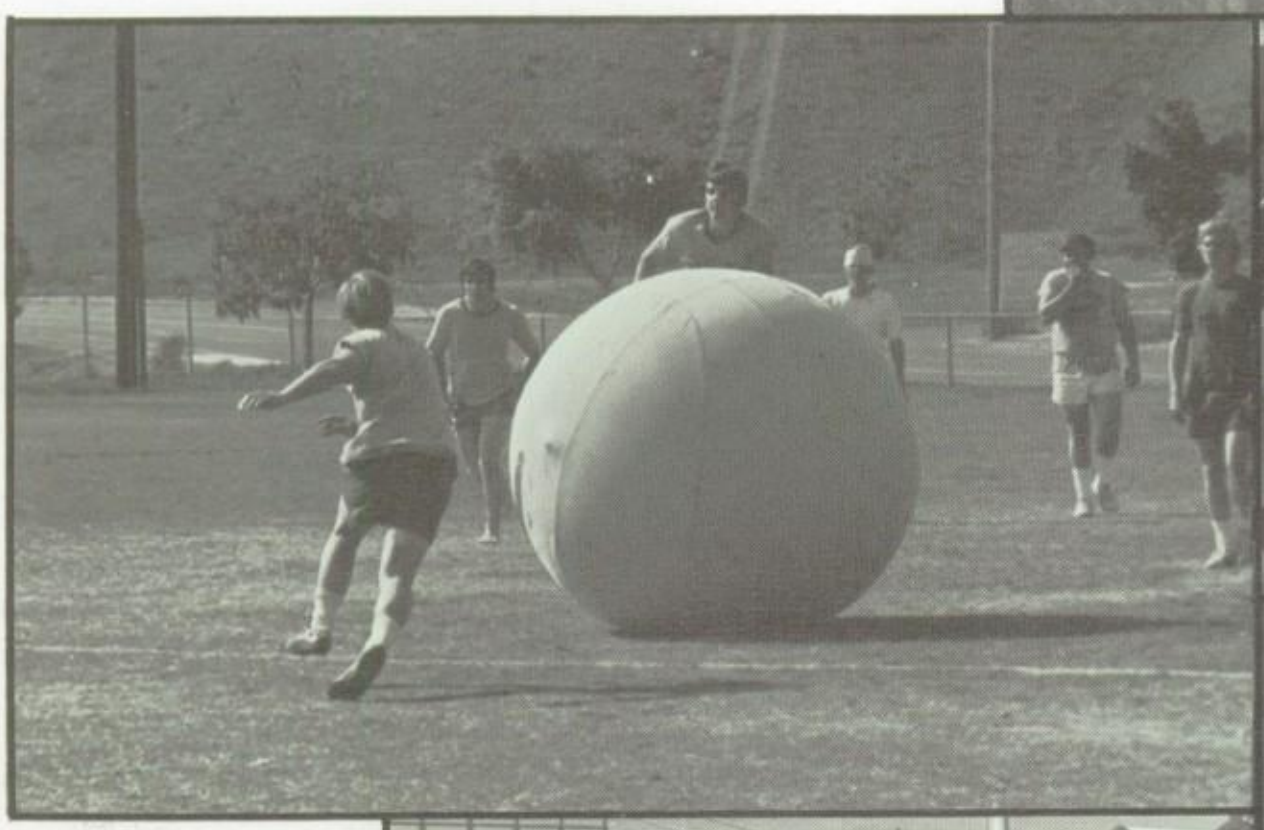
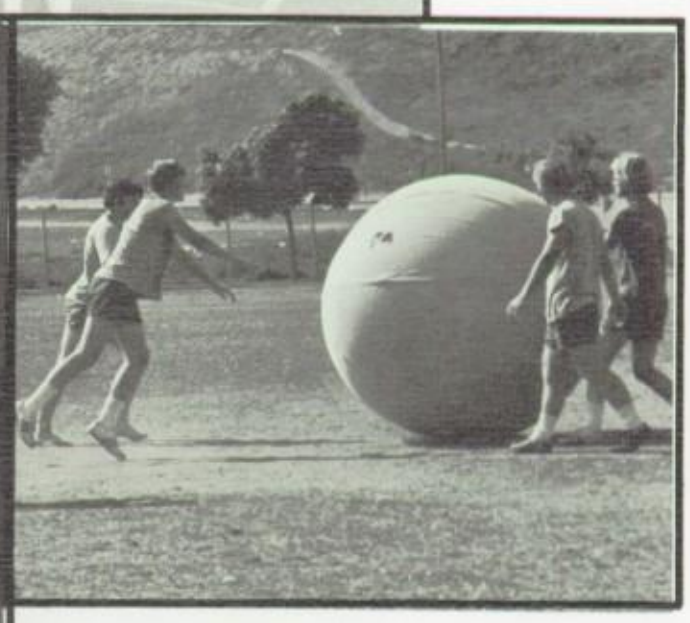
P.E. Classes are Sports Too







Physical Education classes are in the sports section this year because they are the sports of the majority. Only a chosen few can make the varsity sports program, but everyone can have fun in a three on three basketball game or a game of handball. That's what it's all about.

G.A.A. consists of 200 girls who participate in sports such as basketball, tennis, volleyball, field hockey, badmitten and softball. The girls compete against Saddleback, Estancia and other schools. This year, G.A.A. was responsible for the Hawaiian Homecoming theme, complete with Polynesian dancers and entertainment. Another project was a candy sale which netted over $750.00 for the club treasury.

Darrel Taylor-Principal

There have been bad sights. But for every bad sight there have been many good sights: students enjoying their school experience - happy students - bicycles everywhere - teachers working closely with students - athletics - dances - assemblies - friendships - clear, beautiful days.

There have been bad sounds. But for every bad sound there have been many good sounds: students laughing - teacher and students in deep conversation - cheers - teachers directing classes - music - rain drops.

Throughout life there will always be both good and bad sights and sounds. If we look for the good it will always be there. But looking for the good is not enough. We all have the responsibility to live in such a way as to create the good sights and sounds. It is the goal of the staff at San Clemente High School to help each student in some way discover the sights and sounds that give life enjoyment and fullfillment.

The Class of '72

This year's gråduating seniors have much to lôok back on. As underclassmen they became acquainted with high school activities. As juniors the class of '72 began to dominate school affairs. During the junior year, the seniors owned the spirit stick most of the year, won the first annual powder-puff game from the seniors, and concluded the year with a memorable prom. This year has climaxed eventful high school years. This year's seniors have continued such senior traditions as senior parking spaces, senior weekend, senior picnic, and senior grad week. As the class of '72 moves on, it boasts the largest and most spirited graduating class in the history of S.C.H.S.

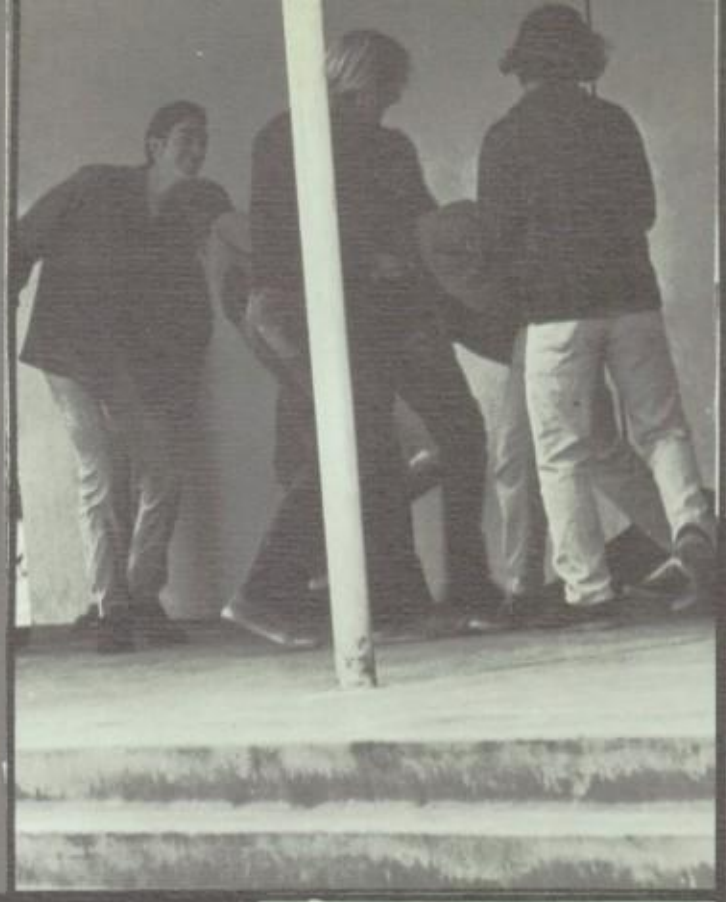
Junior Class Officers: Lisa Croisette, Martin Baker, Joanne Johnston, Charlie Dargan

JR

The Junior Class showed school enthusiasm and pride in establishing realistic goals which benefited not only the class itself but others also. The dance after the Orange football game in the fall was a rousing success. The spirit and enthusiasm took root, and channeled its flow through homecoming, a champion pie-eater, and great sales of class pins for fund-raising. It also created a continuance victory for the Arvy vote. Finally, the junior class finised the fantastic year with a great Junior flourish, with the de Caza. -Senior Prom at Coto

Juniors Are Our Next Seniors



Growing and maturing through the year, Juniors will make next year's Senior class one which will set a fine example for the rest of the school.

Sophomore Class

Class Officers - President - Kelly Devlin; Vice-President - Jeff Russell; Secretary - Lynda Forsum; Treasurer - Debbie Frye.

The Sophomore Year: Spirit Mixed With Regret

After a freshman year of becoming accustomed to new surroundings and different experiences, the class of 74 settled down to find out more about themselves. The revelations were not very surprising. The sophomores showed potential to be one of the greatest classes at SCHS, and this possibility was proven further by the activities of the class cabinet. SPIRIT was the factor that distinguished the sophomore Tritons and kept them together. It was a dominant atmosphere that prevailed at class meetings, assemblies, and athletic contests. The sophomores did just about anything to prove that they were number ONE! Usually not only are sophomores the rowdiest class, but often times they are the most apathetic. Not true with this exceptional group. The class of 74 showed several times during the year that they really did care, and about more than themselves. It was a hard-working group of sophomores that initiated the CHICA fund for a fellow Triton, seriously injured in an auto accident. Partly through the efforts of many other sophomores, people were urged to vote for the tax continuance in March, and undoubtedly, no one at SC will forget the group of sophomores that persuaded the seniors to give up the senior quad, in favor of having an ASB park. But, it is with sadness that the year ends for members of the sophomore class. From now on, everything the class does will be in two groups. The class of 74 will see each other as rivals instead of fellow classmates, because next year they will either be the original Tritons, or else new Dolphins. They will either wear the traditional red and black or the newly elected royal blue, light blue, and silver. Two seprate identities will be established. Whether or not the class will ever be together is unknown, but one thing is definite-the class of 74 WILL NEVER BE THE SAME AGAIN!

Freshman officers Dayona Lovemark, Lisa Castle, Diane Witt, April Dean say, "Here's looking at you!"

This year's Freshman class led by Dayona Lovemark, president, Lisa Castle, vice president, April Dean, treasurer, Diane Witt, secretary, and Toni Toumanian, historian, was active in many school activities. During Spirit Week the Freshmen sold victory buttons and won the penny drive. For their noisy support of Joe Cameron during the pie eating contest, the Freshman won the Spirit Stick; unfortunetly Joe finished second. The Freshmen class was presented with a 50 dollar check by the P.T.S.A. for recruiting the most new members. Highlighting the Freshmen year was the Freshmen sponsored Harlem Clowns basketball game against the S.C. Faculty. A delighted crowd saw the Clowns beat the Faculty putting on a great show.

In athletics, the Freshman football team finished a strong third and the Frosh basketball team won their last eights games after Black Tuesday to capture the league championship. The Freshmen were well represented on other teams as Bob Spiers played Sophmore football, Scott Severs played Sophmore basketball, and Keith Marr, Jerry Nelson, and Steve Ripple played JV baseball. In addition to class meetings, the freshmen were represented by John Boyle, Joe Cameron, Jeff Easley, Nell Paine, Cindy Pearson, Leslie Rowe, and Janet Speshock.

WE USE THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary Club of San Clemente

Club No. 6232 - Chartered March 26, 1946

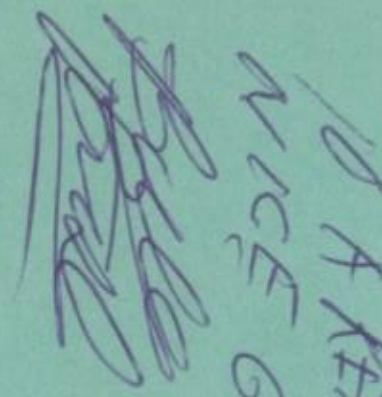
The 1972 Thalassa staff offers many thanks to all who have aided us in providing the eighth San Clemente High School annual. To the parents and the faculty members who lent us their time, effort, and concern, we offer our gratitude. To the community, without whose financial support Thalassa '72 might not have existed, we profess our sincerest thanks. And to the students of San Clemente High School we owe special mention. For without them, there would have been no memories to record, and no future sights and sounds to experience.

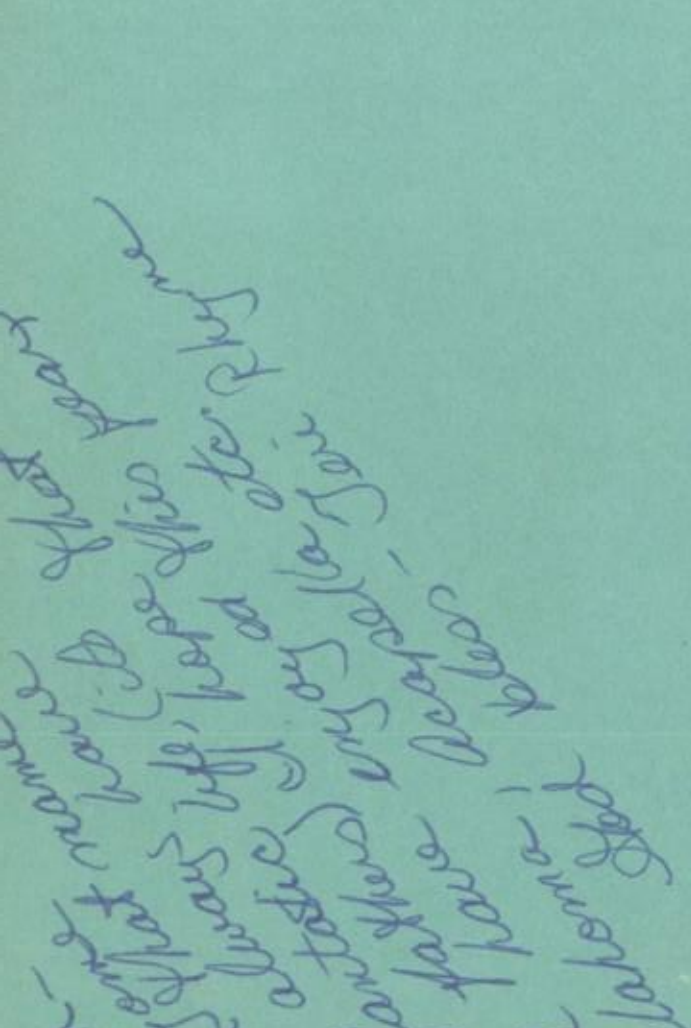
Thalassa Staff 1972

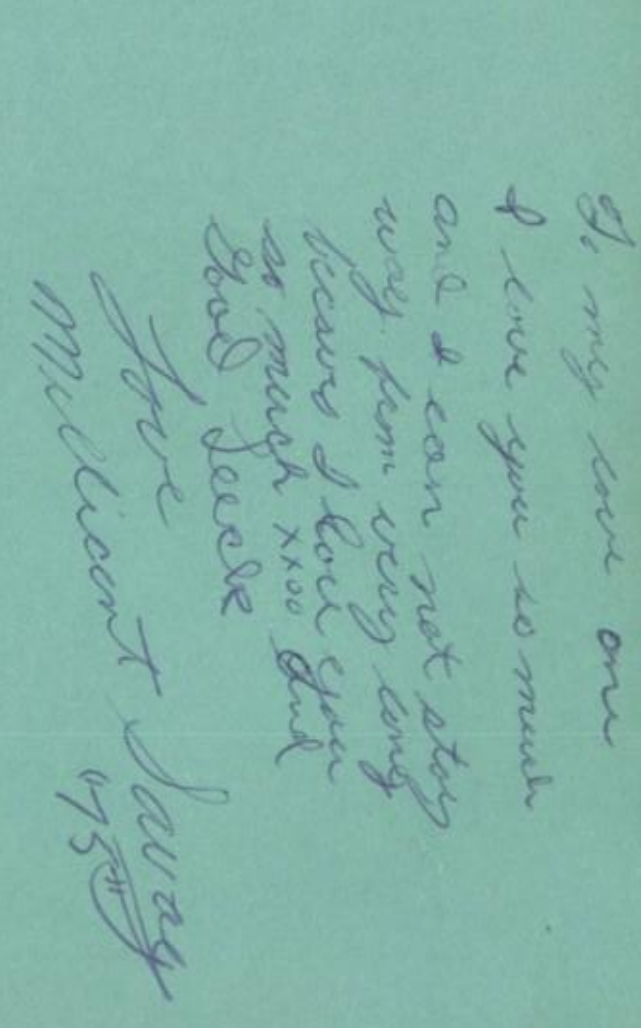
Tom,
This sure has been a great year in music! Your voice is really great! I really hope you make Madrigals. I know you will really work hard. Be good next year. I have a great summer. Keep singing!
God Bless ya, Tom,
and have a great summer.
Love ya,
Kathy S.

Tom,

I have really
enjoyed knowing you.
You have a neat per-
sonality.
Good Luck in the future -
Love,
Gwen '72
Perc







Tom;
You have really been a good friend and an understanding person when I was in need of a friend.
Please take care have a good summer &
God Bless you!
Debbie Reese

Tom,
It has been a great year for A Cappella, hasn't it. Keep on singing and using that spirit you showed in selling records!
All the best in life to you!
Love,
Ruth Harwood
